THE 17 SDGs

6 policy pillars of MTR covers all 17 SDGs

MTR 11MP:

Pillar II: Enhancing Inclusive Development and Wellbeing

MAPPING OF MTR 11MP TO 17 SDGs

Integrating SDGs into the Planning Framework...

SDGs

MTR of 11th MP

Pillar II
**Enhancing inclusive
development and
wellbeing**

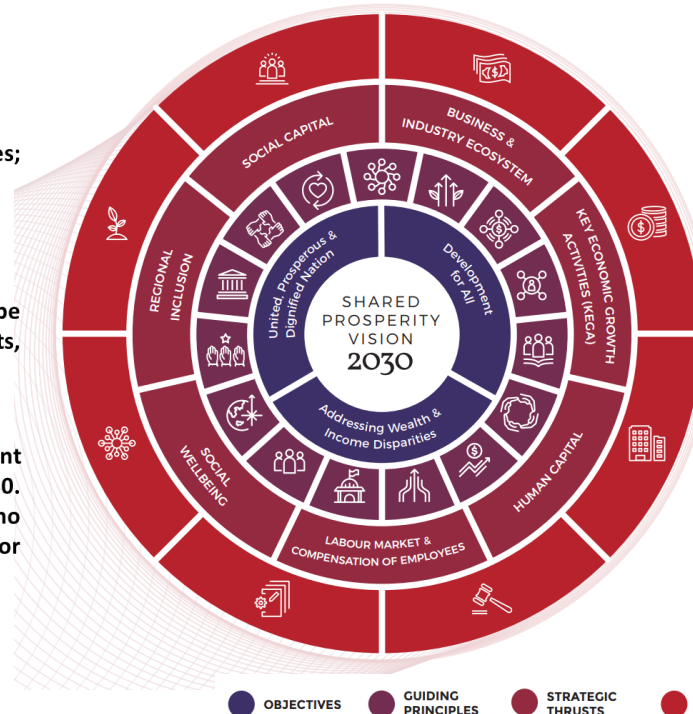

- **Strategy A1: Raising the income and purchasing power of B40 households** to bridge socioeconomic inequality
- **Strategy A3: Empowering minority groups** to benefit from economic activities
- **Strategy A4: Addressing the needs of specific target groups** to promote an equitable society
- **Strategy B1: Increasing purchasing power for all** to ease the burden of the *rakyat*
- **Strategy B2: Providing quality and affordable housing** to improve the quality of life

WAY FORWARD

- Three objectives of SPV 2030:
 - i. Development for All;
 - ii. Addressing Wealth & Income Disparities; and
 - iii. United, Prosperous & Dignified Nation.
- To achieve all objectives, SPV 2030 will be guided by 15 Guiding Principles and 7 Thrusts, 8 Enablers and 10 Target Achievements.
- The SPV 2030 aims at providing decent standards of living for all Malaysians by 2030. This is in tandem with the spirit of leaving no one behind under the 2030 Agenda for Sustainable Development of the UN

POLARITY MANAGEMENT is a model of managing issues faced by the minority and specific target groups.

- Key target groups:
 - i. B40 group, Poor and Economically Vulnerable;
 - ii. Community in Economic Transition;
 - iii. Indigenous Community;
 - iv. Bumiputera in Sabah and Sarawak;
 - v. People with Disabilities;
 - vi. Youth;
 - vii. Women;
 - viii. Children; and Senior Citizens

GUIDING PRINCIPLES

2. Twelfth Malaysia Plan (12MP), 2021-2025 :

Development Dimensions

1

Economic

Empowerment :

Growth drivers and enablers, ecosystem and imperatives

2

Environmental Sustainability :

Conservation and preservation

3

Social Re-engineering :

Enhancing social capital, inclusivity and social cohesion

4

Governance and Policy Tools

The three development dimensions are aligned with

Sustainable Development Goals (SDGs)

Operationalising the Twelfth Malaysia Plan, 2021-2025

Social Re-engineering

Social capital

- Social enterprises
- Affordable housing
- Healthy and active lifestyle
- Invigorate healthcare
- Ageing Society
- Early childhood education for all
- Structured financial support system for students
- Regulating industry-academia collaboration in TVET
- Job creation for local
- Managing foreign workers
- Work-life balance

Inclusivity

- Cost of living and purchasing power
- Diversify sources of income
- Towards smart farming/ precision agriculture
- Universal basic income
- Greater income equality with focus on B40 and M40
- Improve poverty measurement
- Urban poverty
- Independent Bumiputera
- Optimising Malay reserve land
- **Minority groups participation (Orang Asli, Bumiputera Sarawak, Anak Negeri Sabah, Low Income Indian and Kampung Baru Cina)**

Social cohesion

- National unity and cohesion
- **Community development (including person with disabilities)**
- Good ethics and moral values
- Access to education services
- Secure nation

“Inclusive development with emphasis on growth with equity provides equitable opportunities for all to participate and benefit from economic growth and development irrespective of gender, ethnicity, socioeconomic status and geographical location to achieve a developed and inclusive nation”
