MEDIA STATEMENT

STATEMENT ON AUSTRALIAN WILDFIRES

The unprecedented wildfires in Australia have resulted in the loss of precious lives, slaughter of wildlife and destruction of property as well as infrastructure across the country.

Malaysia stands in solidarity with Australia as firefighting teams and emergency services personnel from all over the country and the world work tirelessly around the clock to battle the blazes.

This crisis has underscored the devastating impact of climate change globally. Therefore, steadfast commitment towards implementing sustainable policies and collective action by all countries is needed to arrest this trend and prevent it from getting progressively worse.

Our thoughts and prayers go out to all who have been affected.
