TAXPAYERS can submit their 2021 income tax returns e-filing for E, BE, B, M, BT, MT, P, TF and TP beginning March 1.

The Inland Revenue Board (IRB) said they can access the e-filing system through their official website.

"Taxpayers who log in for the first time to the system need to get their PIN number in advance through the feedback form on the IRB's website or come to our branches," it said in a statement.

Those who forgot their passwords can reset them online, either by using their email address or phone numbers which have been registered with IRB.

If the problem still persists, IRB advises them to reset it by contacting the care line at 03-8911 1000 (domestic), +603-8911 1100 (overseas), IRB Live Chat or visit the nearest service counter.

"Further information on the return form filing programme for the year 2022 can be found on the official website," it added.

However, IRB advises taxpayers to submit the return form and pay their income tax within the period where updates on the status, refund process, e-Ledger and PCB can be seen through the MyTax section.
