IT'S ABOUT VALUE CREATION

THE 13th Malaysia Plan is unveiled by the PM at arguably the most challenging time in the nation's economic history. It lays out the path towards transformation that promises more jobs, greater innovation and higher incomes.

KEY POINTS

- Minimum wage** to be expanded to graduates, semi-skilled workers
- 1.2 million new jobs** in manufacturing and the digital economy
- One million affordable homes** will be built between 2026 and 2035
- 'Pro-health tax'** to be expanded to tobacco, vape and alcohol products
- Monthly EPF pension**, higher retirement age to be studied
- Pre-school to become compulsory** from age 5, formal primary education starts at 6
- New, large-scale housing projects** must have provision for schools
